

# Curriculum Vitae

## Craig L Fry

### Qualifications

2001-07: Doctor of Public Health, La Trobe University (Thesis - Applied Ethics in the Alcohol and Other Drug Field: Making Values Explicit).

1988-91: Bachelor of Science (Hons), Experimental Psychology, Monash University.

### Employment

Current

2008-12: NHMRC Australian Public Health Postdoctoral Fellow & Senior Research Fellow - Centre for Children's Bioethics, Murdoch Childrens Research Institute and Centre for Applied Philosophy & Public Ethics, University of Melbourne

2007-08: Senior Research Fellow/Senior Lecturer, Department of Health Science, School of Primary Health Care, Faculty of Medicine, Nursing and Health Sciences, Monash University.

2002-07: Senior Research Fellow, Epidemiology & Surveillance, Turning Point Alcohol & Drug Centre.

2002-07: Honorary Fellow, Department of Public Health, University of Melbourne.

1996-02: Research Fellow, Epidemiology Unit, Turning Point Alcohol and Drug Centre, Melbourne.

1995-96: Project Officer, Equity & Access Unit, La Trobe University.

1994-95: Project Officer, Learning Skills Unit, University of Melbourne.

1993-94: Community Corrections Volunteer, Northcote Community Corrections Centre.

1993-94: Family Support, Victorian Association for Care & Resettlement of Offenders, HM Barwon Prison.

1993: Research Assistant, Psychology Department, La Trobe University and Monash University.

### Current Grants

2008-12: NHMRC Australian Public Health Training Fellowship (519556) - \$279,000. Fry C. Local public health ethics: Theoretical and applied tools for community-based health research governance and ethics.

2008-10: NHMRC Project Grant (452803) - \$310,125 (24mths). Dietze P, Munir V, Johnston J, Smit D, Fry C, Degenhardt L. The risk factors for ecstasy and related drug overdose: A case-crossover study.

### Past Grants

2008-09: Monash University, 2008 International Strategic Initiatives - \$8,000. Fry C. Establishment of a public health ethics research collaboration between the Monash University Department of Health Science and the Center for Interdisciplinary Research on AIDS, Yale School of Public Health. [Held by Monash University]

2007-08: Monash University e-Research Centre, e-Research Grant Scheme - \$10,675. Fry C, Kennett J. Methods and ethics in public health e-research with vulnerable populations: Development of a governance framework and ethical guidelines. [Held by Monash University]

2007-08: Alcohol Education and Rehabilitation Foundation, Enhancing Capacity (Governance) Grants - \$75,535 (12mths). Fry C, Bull D. Enhancing the governance capacity of the Alcohol and other Drugs Council of Australia around ethical issues in the alcohol and other drugs sector.

2007-08: Victorian Department of Human Services, Rural & Regional Health and Aged Care Services Division - \$161,259 (12mths). Fry C, Stoové M, Nielsen S, Lintzeris N. An investigation of pharmaceutical drug misuse and harms among drug treatment clients in Victoria, Tasmania, Western Australia and Queensland. [Held by Turning Point Alcohol and Drug Centre]

2006-08: State Government of Victoria, Department of Human Services, Rural and Regional Health & Aged Care Services - \$231,439 (24mths). Fry C, Palmer T, Mallett S. Design and implementation of the Youth Drug Reporting System (YDRS) in Victoria. [Held by Turning Point Alcohol & Drug Centre]

2004: National Drug Law Enforcement Research Fund - \$204,579 (12mths). Shearer J, Kaye S, Fry C, Dietze P, Dillon P, Martin G, Collins L, Richards J. Characteristics and dynamics of cocaine supply and demand in Sydney and Melbourne.

2003: National Drug Law Enforcement Research Fund - \$255,910 (14mths). Fry C, Bruno R, O'Reilly B. Benzodiazepine and pharmaceutical opiate misuse and their relationship to crime.

2001: Victorian Department of Human Services, Public Health Division, Communicable Diseases Section (Disease Control & Research Program) - \$104,180 (14mths). Fry C, Lintzeris N, Donath S, Ritter A, Whelan G. Development and evaluation of a brief behavioural intervention for reducing hepatitis C virus risk practices among IDUs.

2001: Victorian Department of Human Services, Public Health Division, Communicable Diseases Section (Disease Control & Research Program) - \$49,849 (5mths). Alberti S, Fry C, Carroll M. Audit of harm related activities in Victorian prisons.

2000-01: NHMRC (116203) & VicHealth - \$187,639 (24mths). Rumbold G, Fitzgerald J, Dietze P, Moore D, Morgan K, Fry C. An investigation of the public health effects of retail heroin markets.

1999-00: NHMRC Strategic Reserve Fund (HCV Social & Behavioural Research) - \$130,000 (12mths). Rumbold G, Lintzeris N, Loxley W, Dolan K, Byrne J, Fry C. An investigation of hepatitis C risk practices among injecting drug users: identifying specific risk behaviours and their context.

1999: National Illicit Drug Strategy, Non-Government Organisation Treatment Grants Program, Commonwealth Department of Health and Family Services - \$274,000 (48mths). Rumbold G, O'Reilly S, Grindrod A, Fry C, Dietze P. Direct Response to Overdose Program (DROP).

### **Past Scholarships and Awards**

2006: Victorian Premier's Drug Prevention Council 2006 Travelling Fellowship - International innovations in youth drug trend surveillance research (Canada, Portugal, Norway, USA).

2006: La Trobe University, Faculty of Health Sciences, Postgraduate Support Grant (Conference Support).

2004: La Trobe University, Institute for Advanced Study (Thesis Writing Scholarship).

2003: Australian Museum Eureka Prize for Research in Ethics (Australian Catholic University).

2002: National Centre for Education and Training on Addiction, Flinders University (Postgraduate Workforce Development Research Scholarship).

2002: La Trobe University, Faculty of Health Sciences and School of Public Health, Postgraduate Support Grant (Conference Support).

2000: Victorian Department of Human Services, Victorian Public Health Awards for Excellence and Innovation - High Commendation for public health research contributing to policy.

2000: University of Washington, Alcohol & Drug Abuse Institute, Seattle, USA (Conference Scholarship)

### **Publications**

#### **Book**

Khoshnood K, Singer M, Irwin K, Fry C (Eds.). *Ethics in the Shadows: Moral Challenges in the Study of Illicit and Stigmatized Behaviors*. Yale University. Edited book in prep for 2010.

### Edited Collections (Guest Editor)

- Hall W, Fry CL, Carter A (Guest Eds). "Addiction Neuroethics", *Neuroethics*. Special issue in prep for 2010.
- Smith B, Keleher H, Fry CL. (Eds.). "Policies and programs to promote health equity", *Health Promotion Journal of Australia*. Special issue in prep for Dec 2009.
- Fry CL, Khoshnood K, Sharma M, Power R. (Guest Eds.) (2008). Harm Reduction Ethics: *Special Issue. International Journal of Drug Policy*, 19(1), 1-94.

### Book Chapters

- Fry CL. (In press - accepted 10 June 2009). What is harm reduction? An ethical perspective. In: T Rhodes (Ed.), *Harm Reduction: Evidence, Impacts and Challenges*. European Monitoring Center on Drugs and Drug Addiction, Scientific Monograph. Lisbon: EMCDDA, European Union.
- Fry CL, Cvetkovski S. (2008). The regulation of drugs and drug use: public health and law enforcement. In: K Heggenhougen & S Qua (Eds.), *International Encyclopedia of Public Health*. Vol 5. San Diego: Academic Press, pp. 501-505.
- Fry CL, Dietze PM. (2008). Alcohol and drugs in Australia: Social determinants and structural interventions. In: H Keleher & C MacDougall C (Eds.), *Understanding Health: A Determinants Approach*. 2nd Edition. Melbourne: Oxford University Press, pp. 229-247.
- Fry CL, Hall W (2005). Ethical considerations for drug abuse epidemiologic research. In: Sloboda Z. (Ed.). *Epidemiology of Drug Abuse*. Kluwer Academic / Plenum, New York, pp. 145-157.
