

John Weckert

Qualifications

Ph.D. University of Melbourne, 1985, Philosophy.
Diploma of Computer Science, LaTrobe University, 1985.
M.A. LaTrobe University, 1977, Philosophy.
B.A. (Hons)(First class) University of Adelaide, 1974, Philosophy.

Employment

Professor of Computer Ethics, School of Humanities and social Sciences,
Charles Sturt University
Professorial Fellow, Centre for Applied Philosophy and Public Ethics (CAPPE), an ARC
funded Special Research Centre,
2003 – 2006: Professor of Information Technology, School of Information Studies,
October – December 2006 – Erasmus Scholar NTNU, Trondheim, Norway and Linköping
University, Sweden
January – March 2004 – Visiting Professor of Philosophy, Dartmouth College, USA
2000 – 2002: Associate Professor of Information Technology
July 1991 –December 1999: Senior Lecturer in Information Technology
September 1986 - July 1991: Lecturer in Computing,
Charles Sturt University.
1985-86: Lecturer in Computing/Philosophy,
Melbourne College of Advanced Education.
1977-84: Lecturer in Philosophy,
Melbourne College of Advanced Education,
1976: Senior Tutor in Philosophy,
University of Western Australia.
1975: Tutor in Philosophy,
Monash University.

Editorial Positions

Editor-in-chief, *NanoEthics: Ethics for Technologies that Converge at the Nanoscale*,
Springer.
Area Editor for Information and Communication Ethics, *On-line Encyclopedia of Applied
Ethics*, Springer.
On editorial board
second edition of the *Encyclopedia of Applied Ethics*, Academic Press,
Ethics and Information Technology,
Journal of Information, Communication and Ethics in Society
Ethical Space: The International Journal of Communication Ethics
Australian Journal of Professional and Applied Ethics

Professional affiliations:

Member - Australian Computer Society (ACS), (Past ACS representative on IFIP Technical
Committee for Computers and society (TC9))

Recent and current externally funded projects:

Completed
Risks of electronic corruption in the NSW Public Sector, funded by the Independent
Commission Against Corruption (ICAC), completed May 2001;
Bridging the Digital Divide, funded by the government of the Australian Capital Territory,
completed June 2002;
Ethical attitudes of members of the Australian Computer Society (ACS), funded by the ACS.
Completed June 2004.
Stakeholders and software quality, in collaboration with ANU, the University of Canberra,
and East Tennessee State University; funded by the University of Canberra. Completed,
October, 2004.

Human relationships on the Internet, in collaboration with Erasmus University, funded by the Australian Research Council Completed December 2004.

Teaching Computer Ethics in Schools, funded by a private foundation and the Australian Computer Society. Completed December 2004.

The ACS Code of Ethics, Funded by the ACS, completed 2004.

Current

Ethics and regulation in the ICT industry, ARC Linkage grant, industry partner, Australian Computer Society, 2005 – 2007 (220k Aus)

Generating knowledge and avoiding plagiarism: Smart information use by secondary students, ARC Linkage grant, industry partner, various Melbourne secondary schools, 2006-2007 (109k Aus)

NANOTRUST: Ethical Conditions for a Socially Robust Use of Nanobiotechnology in Aquaculture. Research Council of Norway (950k Aus)

Ethical Issues in Nanotechnology and Human Enhancement. National Science Foundation (USA) (170k Aus)

Pending

An examination of ethical issues in monitoring and surveillance enabled by nanotechnology. ARC Discovery (305k Aus)

The role of identity management systems in maximising security and privacy in contemporary society - Australia and the United Kingdom ARC Social Science Linkage International. International partner: DeMontfort University UK. (248k Aus)

The Design Turn in Applied Ethics: Institutions, Infrastructures and Technology. ARC Linkage International. International partners: Technical University Delft, University of Twente (31k Aus)

Ethical and regulatory challenges raised by synthetic biology EU 7th Framework partners: TU Delft and universities in Germany and Italy (787K euro)

Ethics, trust and law in e-science EU 7th Framework Oxford University (on steering committee)

Nanoethics, Privacy, and Trust: The Impact of Monitoring and Surveillance Devices Enabled by Nanotechnology, National Science Foundation (USA).

Centre and network grants

Centre for Applied Philosophy and Public Ethics ARC Special Research Centre 9m

The Governance Research Network (GovNet) Organisation: Griffith University 1.2m (I was named as a Chief Investigator on both applications)

The Second Australian Institute of Computer Ethics Conference (AICE2000), July, 2000, Canberra, *Co-organiser*.

The First Australian Institute of Computer Ethics Conference (AICEC99), 14-16 July, 1999, Melbourne, *Co-organiser*.

Privacy, Crime and Electronic Commerce Seminar, Charles Sturt University, 24 September, 1998, *Organiser*.

Refereed publications

Books

James Moor and John Weckert, *Nanoethics: The Ethical and Social Implications of Nanotechnology*, MIT Press (forthcoming 2007, contract signed).

1995 - Elected academic staff representative on Faculty of Science and Agriculture Special Studies Programme.
1994 -1996 Honours Degree Committee, Faculty of Science and Agriculture.
1994 -1998 Higher Degrees Committee, Faculty of Science and Agriculture.
1994 - Elected member of Faculty Promotions Committee.
1994 – 1995, Committee for development of courses in Agricultural Extension, Faculty of Science and Agriculture.
1992 – 1995 Member of Ron Potter Centre for Grape and Wine Research (CSU).
1992 - 1999 Faculty of Science and Agriculture representative on Faculty of Arts Board,
1992 -1994 History and Philosophy of Science Distinction Course Writing Team, NSW Department of Education Board of studies.
1992 – 1994 Faculty representative on Special Admissions Committee of the Vice-Chancellor.
1991 - 1992 Academic Senate Admissions Sub-committee,
1990 – 1993 Research Committee, School of Information Studies, CSU.
1990 - 1991, Research Committee, CSU.
1989-1990, Member of the Executive, Centre for Information Studies, CSU.
1988-1989, School board, School of Information Studies, CSU.
1988-1989, Academic board, CSU.
